Re: Appointment of TRS Executive Director

Today, the Board of Trustees met and approved L.C. "Buster" Evans as the new Executive Director for the Teachers Retirement System of Georgia. Dr. Evans is well known in the education community having been a teacher, coach and Superintendent. Upon his retirement in 2014, Dr. Evans was appointed Assistant Commissioner for Education and Programs for the Georgia Department of Corrections.

Dr. Evans was appointed to the TRS Board of Trustees in 2006 and served in that role until his retirement in 2014. He served as Chairman of the Board of Trustees from 2012 to 2014.

Dr. Evans is well qualified to lead TRS as its Executive Director because of his successful experiences in education including Superintendent of Bleckley County Schools and of Forsyth County Schools and in his current role as Assistant Commissioner with the Department of Corrections. He also has held several management level positions in the private sector with Gold Kist, Inc.

I am sure you join the TRS Board of Trustees in welcoming and congratulating Dr. Evans on his appointment as Executive Director of the Teachers Retirement System of Georgia. TRS is in good hands with Dr. Evans.
