A few important reminders:

- Through your employer account, please request dates for outreach events that fall within the month for your region. You may refer to the 2025 TRS Outreach Schedule map for a list of regions and months. This schedule will rotate in subsequent years to ensure a fair distribution of months over time.
- Virtual counseling sessions and Atlanta or Macon TRS office in-person counseling sessions remain an option if TRS is not able to visit your location at a specific time due to demand. Eligible TRS members may schedule these through their member account.
